DEDICATION

The dedication of the 1967 Iris is proudly made to Mr. Rueben O. Robison, our principal. His interests in each phase of school work, the student body, and faculty, gives evidence of his desire and determination to make Minor High a better school.

ALMA MATER

Minor High all praise to thee,
Praise to thee in word and
song;
Our light shall always be,
A beacon clear and strong;
We will always work and fight,
to uphold thee in thy might;
We will guard thy fame,
and uphold thy name;
Minor High all praise to thee.

PRINCIPAL'S MESSAGE

In future years when you remove your school annual from its storage space and begin turning the pages, the pictures of your classmates will remind you of experiences you had while at Minor High School. I trust these reminders of Minor High will help you to stand-up for what is right.

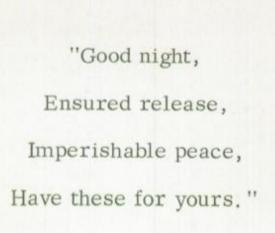

Your school is a good school. Your stay here is fast coming to an end. Is your graduation in May going to be your last one? Where are your classmates from the eleven preceding years who are not in your graduating class? Why are you still here and they are not? Each year you attend school you become a part of a more select group. I hope you will become even more select by continuing your schooling. This does not have to be your last graduation.

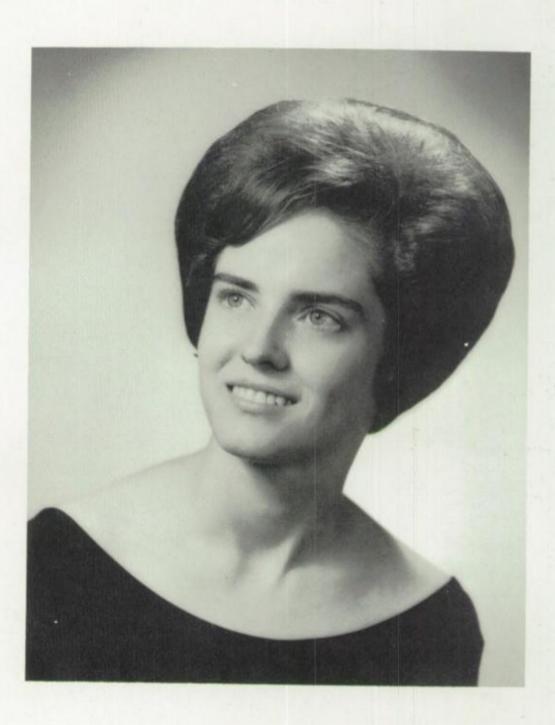

Reuber O. Robisin Jr.

Mr. Reuben O. Robison, Jr., Principal
